Human Trafficking Awareness

Facts, Signs, and What You Can Do

Facts about Human Trafficking

- Trafficking happens within and beyond national borders
- Around **9,000 cases** were identified in the EU in 2024
  The real number is estimated to be much higher
- Victims often face control, dependency, or coercion
- Fear prevents many victims from seeking help
- Many are unable to escape their situation on their own
- **Many victims remain undetected**
- **Early identification** can stop exploitation and enable protection
